
LDA CERTIFICATION 2019 – WEST COAST

April 6th 2019 – Marriott Grand Okanagan Resort

1310 Water Street, Kelowna V1Y 9P3, 250-763-4500

LDA (Ultra Low Dose Enzyme-Activated Immunotherapy) is a revolutionary treatment for allergy, food, chemical sensitivity and autoimmune diseases developed by Dr. Leonard McEwen in the UK in the mid 70's. Dr. Butch Shrader will cover all the basics of LDA and LDA treatments with bacterial antigens and autologous stool so that participants can perform LDA immunotherapy when they return to their offices. Those who use LDA feel it is by far the most effective immunotherapy available, and it is extremely broad spectrum.

This course is geared towards medical doctors, osteopathic doctors, naturopathic doctors and nurse practitioners who encounter patients with any of the following conditions:

Rhinitis (seasonal or perennial), nasal polyps, allergic conjunctivitis, asthma, chronic sinusitis, repeated ear infections, immediate food allergy, chemical sensitivity, migraine/severe headaches, eczema, contact dermatitis, urticaria, brain fog, ADHD, rheumatoid arthritis, osteoarthritis, ulcerative colitis, Crohn's disease, IBD, constipation, bloating, chronic fatigue, Candida/fungal related illness, pruritis, vulvodynia, interstitial cystitis, insomnia, postnasal drip, chronic cough, ankylosing spondylitis, autism, hypertension, diabetes, Sjogren' syndrome, Meniere's Disease, Psoriasis, Anaphylaxis food or idiopathic, Tourette's, PMS + more <http://www.drshrader.com/ProblemsWeTreat.htm>

Schedule (tentative):

8 AM	Registration/Continental Breakfast
9 AM	Welcome/Introduction
9:05 - 10AM	Standard Treatment with LDA
10 - 10:15AM	Break
10:15 - 11AM	Standard Treatment with LDA (continued); Detailed instructions about the use of LDA
11 -11:30AM	Questions and Answers
11:30 -12:15PM	Intradermal Injections – Hands on Instructions
12:15 -1:30PM	Lunch (included)
1:30 - 2:15PM	Molecular Mimicry and Treatment with Bacterial LDA Antigens for Autoimmune Diseases
2:15 - 3PM	Introduction to LDI Autologous Antigens and Treatment; LDI to treat Lyme and other illnesses
3:00 – 3:15PM	Break
3:15 – 3:45PM	Questions and Answers
3:45 - 5 PM	IV Therapy – Updates and Discussion

Speaker

W.A. SHRADER
JR, MD, FAAEM (Butch)

Dr. Shrader completed his undergraduate degree at Purdue University (1966), his MD at University of Tennessee (1969) and his residency in general surgery at the Queen's Medical Centre in Hawaii (1975).

Dr. Shrader has taught IV Therapy with nutrients for the AAEM (American Academy of Environmental Medicine) since 1992 and IV chelation for ACAM since 2007. He is Board-certified in Environmental Medicine, certified in Chelation Therapy (CCT), and is the Director of the Santa Fe Center for Allergy and Environmental Medicine in Santa Fe, New Mexico. He is a Past President of the AAEM the immediate past CME Director for the AAEM.

He developed LDA Immunotherapy in the United States, a unique type of immunotherapy used to treat allergy, anaphylaxis to foods and autoimmune diseases. Dr. Shrader oversees the use of LDA in this country and trains physicians and naturopaths in the U.S. and Canada on the use of LDA.

Registration Fee: \$300/person (includes attendance, and LDA physician's manual)

A block of hotel rooms is reserved with a conference rate for a limited time

To register: Please fill out and fax this form to York Downs Chemists at 1-866-233-3131 (one copy per person attending) or email to info@yorkdownschemists.com
